THROW IN THE TOWEL

It's time to throw in the towel!!

OPRC loses hundreds of towels a month, and the expense really adds up by the end of the year. We would rather spend those dollars on improvements to the club. PLEASE remember to return your towels to one of the many towel baskets placed around the club; and check your tennis bags and at home, most members have towels sitting around that they weren't even aware of.

THANKS FOR YOU HELP!!!

APRIL TENNIS TIP

People always ask why their volleys end up in the net. It's because they swing down! The ball goes where you tell it to go. A downward chopping motion is not how you should get under spin on your volleys. Slant your racket face slightly back, but punch outward like you were clearing books off a bookshelf, just don't crash through the bookshelves!!
