**JUNIOR DOUBLES
CLINICAL WORKOUTS**

**Every Saturday starting January 9
4—6 pm. FEE: \$40**

Due to the lack of emphasis on doubles play in
Junior tournaments and the growing impor-
tance of team doubles play in high school and

college, these clinical workouts are geared to
specifically work on your doubles game,
which includes strategy, court positioning, and
shot selection, to name a few.

TENNIS TIP

*No smiling faces!! If I can see my stu-
dents "smiling face" when they hit the
ball, I know something is wrong.
Unless the ball is right in front of their
nose, their head should be turned to
the side or looking up or down, wher-
ever the moving object (the ball) is,
that they are trying to hit. Roger
Federer is the KING, every photo of
him striking a ball shows him looking
right at it.*
