TENNIS TIP by Mike Young

If you easily get tense and feel nervous on the court, try these tricks:

1. Take slow deep breathes (you're probably breathing quickly and shallowly)
2. Relax your shoulders down (many players carry their tension in their shoulders and don't realize how uptight they are)
3. Smile (it's impossible to be all tense when you're smiling!)

Try these tips and you'll be more relaxed and play better tennis.
