

# "10 and Under Tennis"

## USTA QuickStart Play Format

The teaching professionals at Overland Park Racquet Club are committed to supporting the learning curriculum created and enforced by the United States Tennis Association. Our players will enjoy the many tools developed especially for beginners like shorter courts, smaller nets, special balls and much more. You can expect your child to be instructed on all the beginner facets of tennis to get them playing fast and having fun. Those players who graduate from "10 and Under Tennis" will proceed to our Futures 4 program.
