Tennis Tip by Mike Young

Breath ! After a long rally with a student I will ask how was their breathing, and their response is they hold their breath the entire time! It is impossible to be relaxed when your body is screaming for oxygen, so calmly breath as you hit, and while you are at it, drop your tensed up shoulders and in a relaxed manner, SMILE... You will be amazed at how much better you play.

Summer Tencap

10 under Tennis

10 & under USTA team tennis has gotten off to a great start. Scott Fenton, the director of this USTA program has done a fabulous job recruiting our 10 year old & under players from our Rising Stars and Futures programs. The kids are having so much fun playing matches against other tennis clubs. What a way to introduce *Fun Tennis* to our young players...
